

PIZZA ORDER FORM

PTO is offering a pizza punch card for students to purchase pizza and use on Pizza Fridays instead of carrying money. Pizza slices will cost \$1 each with a maximum purchase of two slices. You may buy punch cards in increments of \$20. Your student will be issued a punch card, kept at the office, and brought out on Pizza Fridays. We will send home a re-order form when the punch card has 2 punches left. If you provide your email so we can contact you, your email will be used for pizza reminders only, not other PTO activities. **Punch cards will not be sold after May 1st.** We will refund any monies left at the end of the year, or carry over to the next year if preferred.
